- Energy in Connection

BIOGRAPHY

Minter Dial is a professional speaker, emcee (MC), storyteller, author and consultant, specialising in leadership, branding and transformation, who has given over 550 talks and seminars to audiences on six continents.

He is the author of four award-winning books, **You Lead** (2021), **Futureproof** (2017) and **The Last Ring Home** (2016), the latter of which he turned into an award-winning documentary film shown on PBS (US) and History Channel (A/NZ). His newest book, **Heartificial Empathy: Putting Heart into Business and Artificial Intelligence** (2023), now in its second edition, won the Book Excellence Award 2019 in the category of Technology and was a finalist for the Business Book Awards 2019. Previously, he enjoyed a 16-year international career at L'Oréal, including being Managing Director Worldwide of Redken, MD of the Canadian subsidiary of the Professional Products Division (PPD) and on the Executive Committee worldwide of the PPD. He also worked at the DLJ investment bank and the Philadelphia Zoo and has founded three startups. He's a renowned blogger and [podcaster](#) and is passionate about the Grateful Dead, padel tennis and languages. Minter received his BA in Trilingual Literature from Yale University (1987) and gained his MBA at INSEAD, Fontainebleau (1993). Minter is a board member of the ECV School (Paris) and GTA Future of Work (London) and previously served as NED board member of [Lastminute.com](#) (Amsterdam) and SBT-Human(s) Matter (Paris).

WHAT PEOPLE SAY

"

"There's a moment, just after he's been introduced, when Minter is just standing there. That's when I always get excited. He's a showman, a storyteller, a prognosticator. He's also a mine of interesting, provocative, insightful information. Best of all, he's a kind, charming and thoughtful guy with a big heart."

"

— Rod Banner, Adgistics Executive Chairman (@rodbanner)

"

"Minter is an enthusiastic and inspiring speaker, moderator and chair and has been a go-to attraction for several of our conferences in the past and will be again for future shows. His breadth of knowledge and experience is matched only by the passion with which he delivers his message. He has also been instrumental in helping me formulate themes and developing new ideas for our shows."

— Michael Caselli, Founder and Editor in Chief iGaming, NED Clarion Events

"

"Minter Dial attended the First World Science and Technology Development Forum 2019 (WSTDF) in Beijing and made an amazing talk at the high-level dialogue during the forum. He is very active, erudite, passionate and substantial. And I would highly recommend him to address your next conference in China!"

— The Organizing Committee of the First World Science and Technology Development Forum (WSTDF)
